SEDUCED BY A SALESGIRL

Dear reader,
Yes, there are days
that I just don't
want to get out of
bed. This was not
one of them, how-
ever. Today, I get
to transcribe my
notes of my virtual
interview with one
of my absolute
faves, Eva Lovia.
By doing it today, I
get to relive my ex-
perience with her,
and truly enjoy her
answers. I found
her beautiful, hon-
est, witty, and not
at all jaded.
A real doll.
-- Ed.

This is a story I have never told anyone. Not even my husband, so I ask that you do not print my name.

I was recently visited by a woman selling colognes, perfumes, bath oils, etc. She was in her mid-forties, rather elegantly dressed, a handsome lady. It was still early morning when she arrived, my husband having already gone to work.

I had just enjoyed my morning shower and was in my housecoat, nude under it when the doorbell rang. I peeked through the curtains and saw a woman on the porch, so I let her in. She sat down with me on the couch and began to show me her samples, putting a dab of perfume on my arm, a dab of cologne on my other arm, smiling, talking softly, and urging me to smell them.

"Here is one," she said, lifting out a small bottle, "that we use on the knees. We never know when hubby will be sniffing about our knees, and we do want them to smell pretty for him, don't we?"

I laughed as she placed a tiny bit on each knee, my lower housecoat open. Then my smile vanished as she slid her hand right on up the inside of my thigh. With a tiny gasp of surprise I grasped her wrist in both hands, my face hot.

"Don't be frightened. I won't hurt you," she whispered. Thrills were streaking

through my tummy as I tugged at her arm. Her fingers touched my little pussy despite my efforts to stop her. I was still shaking my head, my cheeks hot as I felt two fingers slide easily into my vagina. I clamped my legs around her hand, and leaned forward slightly. I could feel the fingers moving within my pussy, I could feel it seeming to swell.

"Don't . . ." I gasped as she began to finger-fuck me, still tugging at her arm, my thighs still clamped over her hand. I was slowly being sexed, and I knew it. I was simply being seduced by a very deliberate and determined woman who would not take no for an answer.

For many long minutes she finger-fucked me, and my grip on her wrist weakened more and more, my pussy growing wet for her. Then she was pushing me back onto the cushions, opening my legs, my housecoat all the way open. "No!" I choked, realizing her intentions then.

But she ignored me. She pushed me gently back, slipping off the couch to a kneeling position beside it, her upper body having forced itself between my legs. She leaned in, and her tongue dragged wetly up the quivering lips of my pussy. Another thrill streaked through me. I lifted my head and stared down my body at the spectacle down there.

Then she was at it, licking and lapping all over my pussy, her head nodding up and down. I could not believe it. She was licking my pussy! Slowly, my head sank back down, my legs remaining open. For a long, long time she knelt there and licked and

lapped my little pussy as though it was coated with syrup, thrusting her tongue faster and faster into my vaginal opening, wriggling it all about, fucking me with it, causing it to grow delightfully sloppy.

I lay with my eyes closed, allowing myself to be carried away on the wings of that wet, wicked tongue. I have no idea how long I lay there and felt her licking, lapping, licking, fucking. My pussy felt big and hot and swollen somehow, and it had never felt like that before.

At last she went to my aching clitoris and began to nibble, her careful fingers holding the taut lips apart. I felt like I was going to pee all over her, but as tight as my sphincter muscles were I knew there was no way I could pee. I was trying not to squirm, but it was next to impossible to lie still with her doing that to me. I was going to come and we both knew it. And nothing short of death could prevent it.

Finally I just let myself go, wrapping my twitching legs around her head. I climaxed in her face, my hips surging up and down, grinding my exploding pussy against her mouth. When I came back down she was licking it again. She continued until she coaxed another of those mind shattering orgasms from me. Then she rose, smiling in her victory, and I sat up, my insides pulsating. She left and I never even knew her name.

I was astonished at myself. I could not believe it had really happened. I had allowed myself to be seduced by another woman! I had allowed a strange woman to finger-fuck me, then simply push me down and suck two powerful orgasms from me!

Just like that!

Sometimes I lie on the bed and do things to myself while pretending that my finger is her wet, slippery tongue. I kind of hope she'll come back.

DOWN FOR THE DERRIÈRE

My name is Adrian and I'm in a very fortunate situation I wanted to share with you. I have a French lady friend that I've been going out with for the last six months.

We met at a coffee shop after she spilled hot coffee on her cell phone and was in a bit of a panic because she had to text her mother in Lyons by nine pm. I offered mine and we've been friends ever since. We saw each other off and on for a couple months before becoming lovers.

I cannot (but I will) tell you how wonderful she is because she says I make her float in space (thank you Mozart). What is incredibly special about her is her passionate desire for anal sex. She gets very excited when that opportunity presents itself. She lays on the bed and raises her ass in the air with her legs spread wide and nice round cheeks slightly spread. I can feel the heat from her body just steaming from her hot

To the editor,

To me, Krissy (Lynn) looks like a dirty girl who needs to be cleaned up.

I want to soap her up and wash her from head to toe, front and back, lower to my knees, and take pussy into my mouth.

I want to lick her hard clit, lightly grazing it my teeth, thrusting my tongue deeper into her pussy.

Meantime, she is reaching with her hand to cup my balls and lightly massage them and then takes my whole cock into her mouth.

I'm grasping her head, and thrusting

hole eager with anticipation of my stiff hard tool entering her.

At this point she can hardly contain herself and I can see her moist wet hole puckering up for my cock. She starts to whimper and urges me to take her now. I hesitate for effect and then slowly insert my a finger in her ass to test how really ready she is for me. She is very wet, she moans with pleasure and pushes back to have me completely inside her.

I slowly move back and forth with my finger then I quickly insert another finger to ready her for my thick cock. She can hardly wait for the penetration she desires from my cock. I slowly reach around hers legs to feel her pussy and feel the desire that has been building for her ass.

I find her pussy lips completely swollen and drenched with juice from the excitement she is about to receive. I take my fingers and begin to fuck her pussy with them. Her lips are quivering and actually sucking my hand as I continue to play with her wet hole. I only do this for a instant as I take aim with my cock and steady it for my intended target, her waiting ass.

In one complete motion I meet and insert my hard pole and drive deep into her waiting flesh and slam deep inside her with no resistant but wet juice and her sucking ass muscles around my cock. She lets out a loud moan of pleasure and whimpers as I begin to work my meat pole in and out of her ass.

She can no longer wait for me and starts to impale herself on my cock harder and harder. She wants to be fucked hard and feel me cum deep inside her now. She is so wet I can hardly keep from falling out as I repeatedly pound her opening again and again.

I can feel her inside tightening up and I know she will explode very soon with an orgasm that she has been waiting for. By

now she is floating in space with me fucking her ass and it is all about her excitement as she wants to cum on my stiff flesh. Her back is arched back with her beautiful boobs facing up.

Her nipples are rock hard and I begin to pinch them to release yet another pleasure sensation throughout her hot, sweaty body. She starts to buck up and down on my cock and completely takes over my own body as she sucks me in and braces for the hard wave of orgasm about to explode inside her beautiful brown hole.

Nearly in tears from emotion, she suddenly stiffens her body and explodes with an orgasm and her asshole is now sucking my cock deeper looking for my load to join her own excitement. Her orgasm grips my cock and she will not be denied, I complete my penetration of her and pound her until I release my milky hot load deep inside her as I feel her quivering body accept my pleasure. I collapse on her steamy body as I let my cock empty every bit of my essence inside her.

Slowly my cock is released, soaked and tired, we wrap ourselves into a blissful union, catching our senses and thinking about the next time we can take this fantastic trip together. *Oui, oui!*

my cock into her mouth, gently fucking her face.

Meantime, I'm sliding my hand past her pussy to her ass, gently rubbing her ass passage as I thrust into her mouth.

I'm now inserting a finger and rubbing just inside the rim as my other hand grips her head a little firmer.

Now my finger's gently fucking her ass and my cock's deep in her mouth as the hot water hits my back.

Giving me a minute to catch my breath, she wrap her lips around it for one final kiss.

Janessa

Being alone is good sometimes. That's why I like to spend a little time in the morning on self-care. I think today is a dildo kind of day and I know just which one to use. I like to think that starting my days off like this gets me ready for anything. Don't you agree?

I KEEP MY ORGASMS DISCREET

Parking Lot Pussy

Waiting for their kids' football game to end, two grown-ups had a ball of their own

"Can I join you?" I jumped at the sound of the sexy female voice.

I was sitting in my car in the dark school parking lot, waiting for my son to emerge at the end of the football game. My mind was working on a problem from the office.

Before I could answer, the tall, leggy blonde opened the door and slipped into my car. We've been neighbors for over 10 years. She was there for the same reason: her daughter plays in the band. Hope you don't mind," she began, "but it's boring as hell, sitting all alone out here." She seemed a little nervous. I guess I was, too. Although we were neighbors, I only know her well enough to wave when we happen to see each other. I did remember her name: Jan.

There was enough light entering the car from the stadium to see that she was braless. The cool, night air had her nipples standing out like tiny soldiers waiting for inspection. I felt a little guilty as I sat there drooling over my neighbor's tits but I couldn't take my eyes off of her chest.

I felt the beginning of an erection as my cock responded to the sight and the sweet aroma of her perfume. We chatted for a few minutes about our kids. Every time she spoke, her hand would touch my leg to emphasize her words. Having her soft, hot hand only inches below my stiffening dick didn't help my self-control one bit. I don't think she was aware of her effect on me.

It wasn't long before the game ended and the kids poured from the stadium. When she spotted her daughter, she said good-bye and slid out of the car. Her skirt rode up her legs and she gave me a magnificent view of her tempting thighs.

I drove home that night with a hard-on. My son rattled away about the game. I grunted and pretended to be listening, but my mind was between my neighbor's inviting thighs.

That night as I made love to my wife, in my mind, it was Jan's pussy quivering and vibrating around my steel-hard pole. When I started coming, I thought I would never stop.

My wife even commented on how great it made her feel to get me so excited. If only she knew the truth.

I found myself looking forward to the next Friday night. I left earlier than usual to pick up my boy. When I got to the parking lot, Jan's car was already there. I pulled in beside her. She smiled and stepped out of her car and into mine. It was another chilly night, but she wore no coat. The dress she wore accentuated her nipples and was cut low enough in the front that most of her big boobs were visible. My dick jumped to attention.

Jan sat much closer to me than she had the week before. Sliding across the seat caused her dress to ride up her thighs. She didn't bother to pull it back down, which left most of her legs exposed to my lecherous eyes. As before, she put her hand on my leg when she talked. Only this time she left it there. Before long, I felt her wrist touching my rock hard pole. There was no way she could have missed it. But, did I ask her to move it? No way! It felt great. I was ready to come in my pants.

What puzzled me was the fact she seemed so innocent. Did she know what she was doing to me? I didn't know, so I sat there trying to act normal. "Look!" she whispered. I snapped out of my fantasy and looked where she was pointing. "That guy has his hand under that girl's skirt."

She was talking about a couple standing in the shadow of the deserted school. It was dark. They must

to rest against her pussy. The lips parted and seemed to nibble at my hand, even through the silken material of the panties.

"That's what I miss as an adult," she whispered, as she moved closer. Her tit nuzzled my arm as her lips touched my ear. Shivers ran up and down my spine. It had been a long time since I'd petted in a parked car. I felt like a teenager again.

tion. Their hands moved faster and faster as their lips remained crushed together. If Jan had kissed me once like that I would have shot my seed all over the car. My cock was like a time bomb, ready to explode.

Then, the boy pulled his mouth away and opened his date's blouse. She was braless. Her tits were tiny but stood out from her chest like two tiny missiles. He leaned over and took one of the tiny morsels into his mouth.

Jan let out a deep sigh and put her hand on the back of my head as I copied the boy's move. Her nipple quivered as I let my tongue swirl around the large, pink nipple.

That's when Jan had her first orgasm. She clamped her legs around my hand and shook all over. It wasn't easy in the tight space between her legs, but I managed

to slip a finger under the elastic of the panties and sink it into her blazing wet snatch.

My daring digit set off a second, more violent set of shudders as she came again. Her hand milked my excited cock the entire time. I was too busy working on her juicy box to think about coming.

Then, the young girl did something totally unexpected. She dropped to her knees on the rough concrete and took the boy's prick into her mouth. My cock jumped at the sight as I caught a glimpse of Jan's head moving down to mimic the action.

Jan must have been an expert cocksucker because she seemed to sense my excitement and would cease the maddening activity each time I was ready to come.

I ached to come but at the same time wanted it never to end. She began by kissing the tip with a series of rapid, tiny kisses. The pre-cum oozed

have felt safe. But, from our position, there was enough light to make out what they were up to. "Should we try to break it up?" I offered weakly.

"No way," she answered, with a new trembling in her voice. "It's good for them. Besides, it excites me to watch." She was so excited that her hand had a vise-like grip on my leg as her wrist pressed even harder against my twitching pole. I noticed that her legs were opening and closing in a nervous but steady rhythm. Each time they parted, I got a glimpse of her panty-covered triangle.

When the guy's hand began rocking up and down between the girl's legs, I let my hand fall to Jan's lap. I think it surprised her as much as it did me. She jumped when my hand landed on her hot thighs. But, she quickly put her free hand over mine and signaled me to leave it there.

She even opened her thighs and positioned my hand between the hot, soft flesh. The side of my hand came

The couple was in a lip-lock without end. The boy's busy fingers were having the desired effect on his girlfriend. It wasn't long before we saw her unzip his pants and extract his erect cock.

I held my breath as Jan did the same to me. I nearly shot my load when her hand grabbed my prick for the first time. I looked at my watch and verified that the game was still going on. I managed to distract my mind enough to hang on.

Luckily, once she had my cock out in the open, Jan seemed satisfied to leisurely toy with the throbbing pole. She was, however, breathing harder and her hips were very gently humping against my hand.

The crotch of her panties were soaking wet. I could feel the exact shape of her burning pussy with the side of my hand.

Meanwhile, the young couple continued their mutual masturba-

from my excited member and covered her warm, wet lips with a slippery film.

Her next step was to open her mouth and breathe on the excited tip. I hunched my hips forward, trying to plunge my cock deep into her sweet mouth but she managed to avoid me. She was determined to do it her way.

When she finally let the head of my cock slide into her velvet-lined mouth and closed her lips over the rim of the bulging head, it took all of my will power to keep from filling her mouth with hot cream. Suddenly, I noticed that the young couple had moved. The girl was leaning against the wall, with her skirt above her waist and her boyfriend was kneeling as he tugged her panties over the shapely hips.

Reluctantly, I nudged Jan's head. She sat up and looked in the direction of the young couple. She gasped. "What should we do?" I grunted weakly.

"Do what they're doing," she sighed, as she lifted her hips off of the seat and shoved her panties to her ankles. "Eat me!" Somehow, licking her pussy added to my already uncontrolled lust. I pulled Jan's legs wide open and wallowed in her slippery hot pussy. She came again and again. I drank the sweet sticky love juice like a thirsty man on a desert isle.

Finally, Jan collapsed and stopped moving. I came back up to a sitting position. I was afraid she had fainted. She was okay. She was simply exhausted from the machine-gun orgasms. I sat there licking her sweet juice from around my lips as I watched the guy devour his girl's pussy. As last, he too came up for air. He covered the young girl's mouth and gave her a taste of her own sweet cum.

The couple stood there locked in the deep kiss, his cock rocked hungrily against her cunt. "What if he tries

to fuck her?" I muttered.

"I hope he does," Jan purred as her hand again grabbed my still-hard cock. Before she was even through talking, the boy hunkered down and let his prick slip into her ready slot. She put her arms around his shoulders and leaned against the wall as she let him lift her legs off the ground. She locked them around his waist and began rotating her hips against his pole.

They managed the entire thing without ever breaking the kiss. I had

knew enough to take it easy. We were both crazy to come and doing our best to hang on.

"He's pumping her now," I moaned as Jan began riding up and down on my twitching cock.

"He's sucking her tit," I added. "Her head is rocking from side to side. She's really excited. I think she's ready to come."

"Wow!" I exclaimed. "That dude can fuck. He's ramming it into her."

a lump in my throat as I realized my neighbor was going to get the same thing. Jan hiked her skirt up to her hips and straddled my lap. I felt the heat from her blazing cunt even before the head of my dick touched the warm, wet opening.

At first she took only the head into her velvet cavern and rotated her hips in maddening circles. "Let's come with them," she gasped. "Tell me when."

I put my hands under the cheeks of her warm, wiggling bottom and watched the kids as they humped. I gave Jan a blow-by-blow description. My words seemed to excite her even more. But like her, I was determined to wait and come when the couple did. "He's got it in to the hilt," I grunted. "She is moving her hips like crazy."

Jan bounced up and down on my lap a couple of times as I talked. She

It won't be long now." Jan was riding my cock like a wild woman. I humped my hips back up at the every down thrust, trying to drive my cock up to her throat.

"Now. Now!" I practically screamed, as the guy shoved his cock into his girl's pussy to the nuts and pinned her against the wall. It wasn't a second too soon because Jan squealed and shouted, "Yes! Fuck me! Fuck me!"

And that I did. The cum spurted in torrents into her quivering, wet snatch. She whimpered every time a glob of hot sperm splashed against the velvet walls of her pussy. By the time the game ended, Jan was back in her car and the kids had slipped back into the stadium.

That was the last game of the season, so I haven't been with Jan since. God only knows what will happen next season...

Tucker

It's finally here... the day Tucker released her big natural boobs and tight pussy for a chance to be fucked on camera. Still shy, but quite confident, this girl knew she had a beautiful body and how to work it. As she rubbed her big tits with excitement, Christian stopped by and gave her his cock to have fun with. She playfully sucked it down her throat. There was lots of licking, sucking, and fucking as she got plowed long and hard, and finally got her cream pie.
